Directions

Vincentia is on Jervis Bay which is just a 2.5 hour drive south of Sydney. From Sydney, head south on the Princes Highway right through to Nowra. You are now about 20 minutes away from The Hideaway.

Once you have gone through Nowra and are still heading south you will see a sign to Jervis Bay. Turn left at this sign and follow the directions through to Jervis Bay, then to Vincentia. When you reach Vincentia you will come to a roundabout at the Vincentia shops where you will see Bi-Lo on the right hand side – veer slightly right at this roundabout and continue down Elizabeth Drive.

Follow Elizabeth Drive for about 1.5kms and you will see Frederick Street on the right. You can either enter the house via Frederick Street, although the driveway is slightly steep, or via Sutton Street. If you are entering via Sutton Street, go down the road until you pass the last house on the right of the street. Next to this house is an unsealed road lined by short bollards that will lead you up to the rear of the house
