Instructions:

Vincentia is on Jervis Bay which is a circa 2.5 hour drive South of Sydney.

From Sydney, head south on the Princes Highway right through to Nowra.

From Nowra you are now about 20 minutes away from The Hideaway. Once you have gone through Nowra and are still heading South you will see a sign to Jervis Bay. Turn left at this sign and follow the directions through to Jervis Bay, then to Vincentia. When you reach Vincentia you will come to a roundabout at the Vincentia shops where you will see Coles on the right hand side – veer slightly right at this roundabout and continue down Elizabeth Drive. Follow Elizabeth Drive for about 1.5kms and you will see Frederick Street on the right. Enter the property via Frederick Street.

There is a rear unsealed road at the rear of the property onto Sutton Street. This can be used after you collect the keys from the house (rear lane has a locked gate).
